We believe it would be desirable to get something out on our plans for Merit Pay for GS-13/15's. I have signed the attached notice but decided to run it by you before release.

Danny--

Danny
DDCI has signed a redraft of your note on Merit Pay. The DDCI feels strongly enough about this one as a major personnel policy issue that it ought to go out over his signature. Also, you should prepare a cable to posts overseas forwarding this message. John McMahon's report to the DDCI on his recent overseas trip emphasized the morale problems caused by misunderstanding of previous DDCI remarks on this.
